PLZEŇSKÝ KRAJ
NEJLEPŠÍ MÍSTO PRO ŽIVOT

A group of approximately 15 people are seated around a long, light-colored wooden conference table in a modern meeting room. The participants, a mix of men and women, are dressed in business casual attire. They are engaged in a meeting, with some looking towards the front of the room and others looking at documents or laptops on the table. The table is set with several green folders, white papers, pens, and individual water bottles. In the foreground, a man with long hair and a beard, wearing a blue sweater, is seen from the side, looking towards the meeting. The room features large windows on the left side, providing natural light. On the right, there is a tall wooden shelving unit filled with various items. The background wall is covered by a large mural depicting a forest scene with a lake and trees. The text 'PLZEŇSKÝ KRAJ' and 'NEJLEPŠÍ MÍSTO PRO ŽIVOT' is prominently displayed on the right side of the mural.
